

Greetings Legal Titans!

We find ourselves in a very unique time! We hear words like "unprecedented" and "uncertain" and "historical" when we talk about the present situation. But one thing we know for sure is that God is steady and unchanging, He is certain and always present. In Hebrews 13:8 it says: "*Jesus Christ is the same yesterday, today and forever*".

May this newsletter help you stay close to our unchanging God and united together! Remember: He's got this!
