

Dear Legal Families,

I hope this message finds you all well, taking care of yourselves and connecting with the people you love. With Premier Kenney announcing the stages of opening up our society, I find myself feeling excited but anxious at the same time. There are still so many unknowns and uncertain variables to consider about “going out” again. The Premier and Minister LaGrange have confirmed that we will not be going back to school this year. We will continue to support you and your children through online learning as we’ve been doing for the past 6 weeks.

New Vice Principal - I would like to take this opportunity to introduce you to Legal School’s new Vice Principal. As many of you know, Mrs. Giacobbo was transferred to St. Kateri in Morinville. We are happy to welcome, Mrs. Sheri Crowston to Legal in the role of Vice Principal. Mrs. Crowston comes to us from Ecole Notre Dame School in Morinville. She is an experienced teacher with most of her time spent in grade one. She was most recently END’s Learning Support Facilitator and Pedagogy Lead so she is coming to us with a wealth of experience and education. Welcome to Legal Mrs. Crowston! I’m also happy to confirm that I will be returning as Principal for next year as well. This will be my 5th year in Legal and I feel very fortunate to be continuing to teach and lead this amazing school community.

Virtue - I hope you’ve been seeing some signs of HOPE in the windows of our student’s homes in town this week. Our virtue for the rest of the year is HOPE and students were given the option to make a poster or sign to put in their window to bring hope to the Legal community. We will continue to focus on Mary during the month of May and offer prayers and petitions to her. We especially keep our support staff in our prayers during this time.

Survey Says! - We have one last survey to fill out this year. Please take a few minutes to complete it. We really do value your opinions and we read and analyze all of the data to make decisions about how we organize education and opportunities at school. You can use the link or the QR code (just hold your camera on your phone up to the code).

Student Council and GSACRD VOICE - Don't forget that this week coming up is "Hats on for Mental Health". We encourage you to wear a hat each day to show your support for mental health. Please take pictures and send them to rtrottier@gsacrd.ab.ca for posting on social media. I also encourage you to check out our "**Counsellor's Corner**" section on our website for **daily activities** from GSACRD VOICE about mental health.

School Council - meeting postponed to May 20th at 6:30. Please RSVP to rtrottier@gsacrd.ab.ca if you would like to attend.

Registration - We are well into planning for next year already so if you haven't filled out your children's registration forms yet, please do as soon as possible. All registrations in GSACRD are online this year and can be found on our website on the home page. Thank you! If you have questions about the online registration process, please contact Mrs. Blinston at mblinston@gsacrd.ab.ca or call the school and leave a message.

Titan Talent Show - Thank you to everyone who sent in a video for our talent show. You'll find the link below to watch the video. It's a short 5 minute video but it's super cute! Definitely worth watching.

I pray that you are all keeping healthy and safe. Please continue to contact your children's teachers or administration if you have questions or concerns. We are here for you.

Blessings,

Renee Trottier, principal

Website - Don't forget to check out our website for our "Learning from Home" section where we provide resources to support you and your child and to provide extra activities that your child can do if they need it.
