

Dear Legal Families,

I hope this message finds you all continuing to stay safe and healthy. I hope you all had a wonderful Mother's Day and that you were able to spend some time, safely, celebrating your moms.

**Virtue** - Have you seen any of the signs of HOPE in the windows of our student's homes in town this week? Our virtue for the rest of the year is HOPE. Here are a couple of different ideas you can do with your kids if you would like. Thanks to Mrs. Moylan for sharing pictures of these lovely little plants and pots with us. They're made with tin cans and glass jars.

We will continue to focus on Mary during the month of May and offer prayers and petitions to her. This is a good time to teach your children to say the Hail Mary prayer and a perfect prayer for Mother's Day, as Mary was the ultimate mother.

**Survey Says!** - We have one last survey to fill out this year. Please take a few minutes to complete it. We really do value your opinions and we read and analyze all of the data to make decisions about how we organize education and opportunities at school. You can use the link or the QR code (just hold your camera on your phone up to the code). Students in grades 4-9 will be asked to fill out age appropriate surveys as well. The codes will be in their Google Classrooms. This one's for parents to fill out.

**School Council** - meeting postponed to May 20th at 6:30. Please RSVP to [rtrottier@gsacrd.ab.ca](mailto:rtrottier@gsacrd.ab.ca) if you would like to attend.

**Registration** - We are well into planning for next year already so if you haven't filled out your children's registration forms yet, please do as soon as possible. I've noticed that some families have registered for option courses but haven't actually submitted registration packages yet. Option choices are contingent upon us receiving the registration package. All registrations in GSACRD are online this year and can be found on our website on the home page. Thank you! If you have questions about the online registration process, please contact Mrs. Blinston at [mblinston@gsacrd.ab.ca](mailto:mblinston@gsacrd.ab.ca) or call the school and leave a message.

**Grade 9s**, you can register for MCHS by going to their website and clicking on the link for online registration. Again, the option choices you want will be first come first served so please register as soon as you can. You will need to have a PowerSchool account to get your grades for your registration form.

**District Message** - If you haven't had a chance to read Mr. Keohane's weekly message, I would encourage you to do so. In it he summarizes Minister LaGrange's possible plan to open up school again. It was sent to all parents in our division by email.

I pray that you are all keeping healthy and safe. Please continue to contact your children's teachers or administration if you have questions or concerns. We are here for you.

Blessings,

Renee Trottier, principal

**Website** - Don't forget to check out our website for our "Learning from Home" section where we provide resources to support you and your child and to provide extra activities that your child can do if they need it.
